

# INLINE LED

An appliance designed for lighting Supermarkets, Offices and Conference Halls.

The through-wiring allows for it to be mounted on-line continuous up to a maximum of 8 devices.

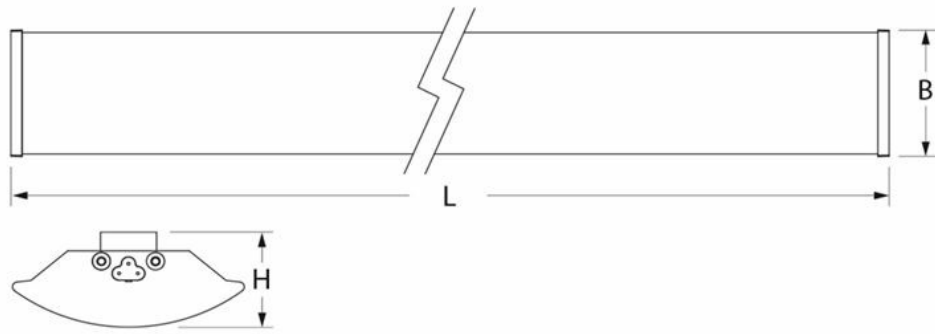

The anti-dazzle screen offers a diffusing effect which ensures an emission bright enough to be top of the category.

InLinea LED is a device for quick installation and, thanks to the simple ceiling-mounted and suspended wiring options is the ideal solution for the lighting of large surfaces.

Product category: Suspended, Ceiling Mounted
